

Doctor Allakhverdiev S.I. has lead the ranking of the most cited scientists in Russia and took 379th position in the field of Plant Science and Agronomy.

<https://research.com/scientists-rankings/plant-science-and-agronomy/ru>

World	National	Scholar	D-Index	Citations	Publications
379	1	 <b>Suleyman I. Allakhverdiev</b> Russian Academy of Sciences, Russia	70	20,663	327
1765	2	 <b>Mark N. Merzlyak</b> Lomonosov Moscow State University, Russia	44	16,651	85
2087	3	 <b>Alexei Solovchenko</b> Lomonosov Moscow State University, Russia	41	15,262	185

The 3rd edition of Research.com ranking of the best scholars in the discipline of Plant Science and Agronomy was created using data consolidated from various data sources including OpenAlex and CrossRef. The bibliometric data for devising the citation-based metrics were collected on 21-11-2023. Position in the ranking is based on a researcher's D-index (Discipline H-index), which includes exclusively publications and citation data for an examined discipline.

Research.com

Dear Suleyman I. Allakhverdiev,

We'd like to inform you that [Research.com](https://research.com), a leading academic platform for researchers, has just released the 2024 Edition of our Ranking of Best Scientists in the field of Plant Science and Agronomy. We are sure you will be very happy to learn that you have ranked #379 in the world ranking and #1 in Russia.

The ranking is based on D-index (Discipline H-index) metric, which only includes papers and citation values for an examined discipline. The ranking includes only leading scientists with D-index of at least 30 for academic publications made in the area of Plant Science and Agronomy.

The full world ranking is available here: [research.com/scientists-rankings/plant-science-and-agronomy](https://research.com/scientists-rankings/plant-science-and-agronomy)  
The full ranking for Russia is available here: [research.com/scientists-rankings/plant-science-and-agronomy/ru](https://research.com/scientists-rankings/plant-science-and-agronomy/ru)

Feel free to also read an article summarizing the statistics and trends from our ranking here: <https://research.com/careers/world-online-ranking-of-best-plant-and-agronomy-scientists-2024-report>

Please accept our sincere congratulations. Being present in our ranking is definitely a great achievement for you and your university or research institution. Feel free to share and publicize your accomplishment in any way you see fit.

With Best Regards,

**Imed Bouchrika, Phd**  
Co-Founder & Chief Data Scientist
